COMMISSIONER FOR PATENTS**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Responsive to the Statement of Reasons for Allowance accompanying the Notice of Allowability dated February 12, 2008, the Applicants comment as follows. The Applicants agree that claims 36, 39-41, 65-79, 83-101 and 103 are allowable. However, to the extent the Examiner's stated reasons for allowance use language not expressly recited in a claim (for example, attributing "receiving and processing" language to independent claim 79), the Applicants respectfully note that the claim is not so limited. Rather, the actual language of the respective claims speaks for itself.

Respectfully submitted,

## INTERVIEW SUMMARY

The Applicants thank Examiner Senfi for calling to discuss the referenced application on January 29, 2008. Examiner Senfi and the undersigned attorney participated in the telephonic interview. No exhibit was shown, and no demonstration was conducted. The patentability of computer-readable medium claims 102 and 104 under 35 U.S.C. § 101 was discussed during the interview. No agreement was reached on this issue. The Applicants authorized the Examiner to cancel claims 102 and 104 by Examiner's amendment, however, so as to expedite the allowance of the remaining claims.

Respectfully submitted,
